	IS (ASEAN)*	780	10	10	800
	IS (Non-ASEAN)*	1400	10	10	1420

Students are to pay school fees for all 12 months. This is because the total costs of running a school and the corresponding fees payable are calculated on an annual basis. The fees payable are then spread out over a period of 12 months.

Students who would like to apply for payment of school fees via GIRO can obtain a copy of the application form from the General Office.

For students who are already paying school fees via GIRO in primary schools, the arrangement will continue and no further action is required.
