Key Pointers for Students on ITE's Joint Intake Exercise (JIE)

ALL students in N(T) and N(A) students (who are not progressing to 5N(A) or repeating 4N(A)) are eligible for JIE.
Those who were unsuccessful in EAE are also eligible for JIE.

Participation in JIE Main Phase is key to securing a place in ITE!

Use all 12 JIE choices wisely, as competition for 3-year Higher Nitec courses is keen!

Do consult your teachers / ECG counsellors to help you make your choices!

Do use the Last Aggregate Score (LAS) published in ITE's admission portal to help you make your course choices.

If you have received an additional letter, then you are eligible for the Enhanced Foundation Programme (EFP).

If you are eligible for EFP, make sure you apply for both the EFP and the 2-year Nitec/3-year Higher Nitec!

The EFP helps to build the necessary literacy and numeracy foundations that will enable you to successfully complete your course!

If you are counter-offered a course, accept it first before appealing for another course you may be more interested in!

1. Release of N-Level Results

*What are some of the things that I enjoy doing?
How would I describe my strengths and interests?*

Align your strengths and interests with relevant eligible courses offered by various educational institutions.

For instance, if you have an interest in engineering, healthcare, or design, you might find suitable courses at institutions such as ITE.

Keep your options open and embrace the possibilities.

3. During JIE Appeals

*Can I appeal for transfer to another course?
What should I do if I am undecided over what
courses to choose?*

If you have received a course offer, consider accepting the offer. Following that, you can submit an appeal for an alternative course if you like to request for a change.

While all eligible appeals for transfer will be given due consideration, meeting the minimum entry requirements does not guarantee a place in the course as admission is also subject to available vacancies in open competition.

For additional advice, you can approach your school teachers, ECG counsellor or make an ECG counselling appointment via the ECG Centre @ MOE at (<https://go.gov.sg/moe-ecg-centre>).

2. Applying for courses through JIE 'N'

*How will the programmes offered by education
institutions further develop my strengths and interests?*

Fill in all your 12 JIE choices carefully based on your strengths, interests, and courses you are eligible for as indicated in Form N.
