Full Subject-Based Banding (FSBB)

Heart. Passion. Will

Why FSBB?

- Full Subject-Based Banding (Full SBB) is part of MOE's ongoing efforts to **nurture the joy of learning** and **develop multiple pathways** to cater to the different strengths and interests of our students.
- With Full SBB, we are moving towards a secondary school education where **students learn each subject at the level that best caters to their overall strengths, interests and learning needs.**

Eligibility Criteria

Secondary 1 students can take **English Language, Mathematics, Science and Mother Tongue Languages** at a higher level if they meet the following criteria.

Option to take a subject at	PSLE Subject Grade
G3 level	AL 5 or better in a Standard level subject
G2 level	AL 6 in a Standard level subject or AL A in a Foundation level subject

Eligible students will receive an application form on Parent Gateway.

There is no cap on the number of subjects at a more demanding level that students can offer.

Taking a subject at more demanding level

- Students are strongly encouraged to give themselves time to adjust to the demands of the higher-level subject(s). Hence, upon accepting the offer, they will continue with the higher-level subjects until the end of Secondary 2
- If a student **passes** in the higher level subject(s) and meets the promotion criteria at the end of Secondary 2, he / she can continue offering the subject(s) at the same subject level in upper secondary to further deepen his/ her mastery of content and skills.

- Parents, in discussion with the child, have to indicate if they **accept or reject the offer via Parents Gateway (PG) by 23 Dec (Mon)**.
- Purchase of Textbooks
 - **Purchase the correct books for the correct level of subject** that the child is taking. The booklist can be found on the school's website.
 - As the first week of school is orientation week, **parents may take until the end of the first week of school to purchase the books.**
